Unfinished Business

Councilman Colburn has not been down in the creek to mark the trees yet so we don't know an estimate of how many trees there are in the creek.

Motion made by Rhinehart, seconded by Colburn to get trees marked so as to an estimate of how many then call a tree service for a cost estimate of removal.

Roads in the cemetery were discussed again. Discussed not paving or placing millings, just back blading and stone. We can have our highway dept. do the job, fill out a form and pay highway from general account for improvements.
